The screenshot displays the IBM Cloud dashboard. At the top, there is a navigation bar with the 'IBM Cloud' logo, a search bar, and links for 'Catalog', 'Manage', and the user's account 'Abijithnikash M's Acco...'. Below the navigation bar, the main content area is divided into several sections. The 'For you' section features a 'Build' card with a blue background and four smaller cards: 'Aspera Use Case', 'Build a data lake', 'Data migration with IBM Cloud', and 'Accelerate delivery of static files'. Each of these cards includes a 'Recommended' badge and a duration. Below the 'For you' section, there are three more cards: 'User access' with a 'Manage users' link, 'News' with a 'View all' link and a list of articles including 'All About IBM Storage's Price and Supply Guarantee', 'IBM Tech Now: November 7, 2022', and 'Unified Key Orchestrator Now Supports Easy', and 'Planned maintenance' with a 'View all' link. A blue chat button is visible in the bottom right corner of the dashboard.
